

The Explorer Scout Uniform

At the 44th Fife Explorer Scout Unit we encourage all Explorers to wear full uniform on each meeting night unless told otherwise. Uniform is inspected on each occasion and points allocated to each team.

Explorer Scouts wear a khaki colour shirt. They also wear a multipurpose neck scarf (sometimes called a “necky”), which varies in colour from Explorer Unit to Explorer Unit. They will also have a leather woggle, to keep their scarf up.

All uniform items are available from the Scout Shop St Leonards Church Tuesday evenings 7pm.
